TAKE A REST IN THE BARREL HOUSE AND ENJOY YOUR BEER

We are open Mon - Fri from 2 pm to 4.30 pm

Cantina Errante is dedicated to the spontaneous fermentation of beers, ciders and hybrids brewed with local sourced ingredients of heirloom varieties, aged in oak barrels from local wineries.

Birrificio San Gimignano is dedicated to organic craft beers based on recipes inspired by the best traditions and brewed with local sourced ingredients.

Both Cantina Errante and Birrificio San Gimignano are born under the same roof, thanks to the brewers' thirst for innovation and the influence of the surrounding environment and local traditions.

Come visit us. We are located in the hearth of Tuscany, 30 minutes from Florence and Siena.
